

## OrangeHRM Introduces Larry Stefonic as member of Advisory Board

**The Advisory Board allows OrangeHRM to assemble the development and strategy of the organization by using international expert knowledge to support the management team.**

**SEACAUCUS, NJ (March 18, 2009)** – OrangeHRM, a leading provider of open-source HR Management solutions for small and medium-sized enterprises worldwide, announced that Larry Stefonic has been appointed to its advisory board.

Larry Stefonic recently completed 7 successful years at MySQL AB in various senior positions. He was instrumental in driving the dramatic business growth that ultimately led to MySQL's acquisition by Sun Microsystems for one billion dollars.

"Larry's experience in open source business models, international sales and building successful teams, makes him the perfect fit for OrangeHRM as we move more aggressively into world markets.," said Sujee Saparamadu, CEO / Co-Founder of OrangeHRM Inc. "With Larry's advice, we will move into the OEM market globally and accelerate our adoption in the enterprise. This will help us to further establish OrangeHRM as the worldwide leader in Open Source HR Management."

Larry said "OrangeHRM is uniquely well positioned to grow by working with both companies that have newly established open source strategies and those trying to add leverage to their existing open source strategies. OrangeHRM is also in a great position to take advantage of all that open source has to offer over proprietary solutions, including dual licensing, widespread distribution, faster development, better customer collaboration, etc."
