OrangeHRM

HR for All

OrangeHRM provides a world-class HRIS experience and offers everything you and your team needs to be that HR hero you know that you are.

Whether you are trying to track leave or hold performance reviews, you get all of the tools you need to shine. Thousands of businesses around the world are benefitting from OrangeHRM as their HR Management software.

People Management

Between managing the fires around your business or having to track all of that paperwork, HR can be a really demanding career. With people management you get everything that you and your team needs to succeed.

You'll be able to unlock things like reporting, Org Chart, employee data, and so much more.

Talent Management

A company's culture thrives when protected by a diligent recruitment team, ensuring that every new hire aligns with its values and vision. They are the ones who not only provide a great candidate experience but also handle screening, write job descriptions, collaborate with managers on qualifications, and so much more. To support them, they need one of the best applicant tracking systems and the ability to create a world-class, automated onboarding experience, including pre-boarding, to ensure new hires are fully prepared before their first day.

Compensation

Remove the headaches of manually tracking leave, figuring out attendance, or having a Payroll system not integrated with your HRMS. OrangeHRM's compensation pillar solves all of these problems.

Think if you had a system that did all of this for you? You could save hours a week and invest them back into your people.

Culture

Developing people is what gets you out of bed each morning, brings the pep in your step, drives not only you but those you work with. Your company thrives when your people care about your customer. Your culture thrives when your employees know they are cared for by you.

Managing things like performance, development, and training, gives you the power to make a change with your team. One that you can track over time and know who is struggling and who is thriving.
